

## **Black Dog Ride 2014**

What another successful and well-organised event!

This year we split the rides up, with one starting on the Sunshine Coast at the Ettomogah Pub, thank you to Michael Young for organising it; the other ride was held on the Gold Coast starting out at Shark Leathers in Helensvale.

Both rides went very well and we like to thank everyone who was involved. Please check out the Blog on our website:

As the numbers of women riding motorcycles steadily increases over the years, and certainly more so in recent decades (women's social values have changed- advanced), it's worth noting that women have always, since its creation enjoyed motorcycling!
